Water Board Plans Public Meeting in Hagerman

The Idaho Water Resource Board will conduct a public meeting in Hagerman on Feb. 27 to discuss the state's acquisition efforts funded by the Idaho Legislature to purchase select water rights in the Hagerman Thousand Springs area.

The meeting will be held at the Hagerman Valley Senior Center, 140 E. Lake St., beginning at 7 p.m.

During the meeting, the Board will present information about the water shortages at the Thousand Springs and ongoing efforts by the state to enhance flows. At the conclusion of the meeting, the Board intends to make available information to those members of the public who may be interested in selling their water rights or subordinating to the state of Idaho.

The meeting will be conducted in a facility that meets the accessibility requirements of the Americans with Disabilities Act.
